Start a New Member Class Now!

Discover the why, how, and when of a successful new member class. You will learn how to fashion four key components into your class so every new member has a great start becoming active in the life of your church.

Church Financial Benefits

Handling Money in the Church

When Churches experience mishandling of money, whether intentionally or by accident, there are usually insufficient internal controls. In this conference, we'll examine whether your church's approach to handling the church's money is appropriate.

Church Revitalization

Becoming a Disciple Making Church (2 hours)

What does biblical disciple-making look like? Evaluate your present programming and lay out a step-by-step plan that you can use to lead your church to become a disciple-making church.

Discipleship

(See description under Church Revitalization).

Move from Programs to Process

Discipling people like Jesus did involves a four-phase process:

- 1) Engage
- 2) Connect
- 3) Grow
- 4) Multiply

Learn how to implement this process in your church.

Evangelism

Becoming an Evangelistic Leader

In this conference, we will look at the why, what, and how of becoming an evangelistic leader. The meeting time will involve the sharing of pertinent information for evangelistic leadership as well as discussion among the participants. Those who attend will be encouraged to assess their own plan for leading a church or group evangelistically

Twelve 24: Reaching This Generation of Students

The 12-24 age group is one of the most unreached generations ever. Why are so few in this age group coming to church? And why are so many of those who grow up in church leaving? The twelve-24 initiative is aimed at helping Kentucky Baptist churches think anew about the challenges of reaching this generation. We will look at how your church can better understand and engage this generation for Christ.
